"If only I hadn't struck out!"

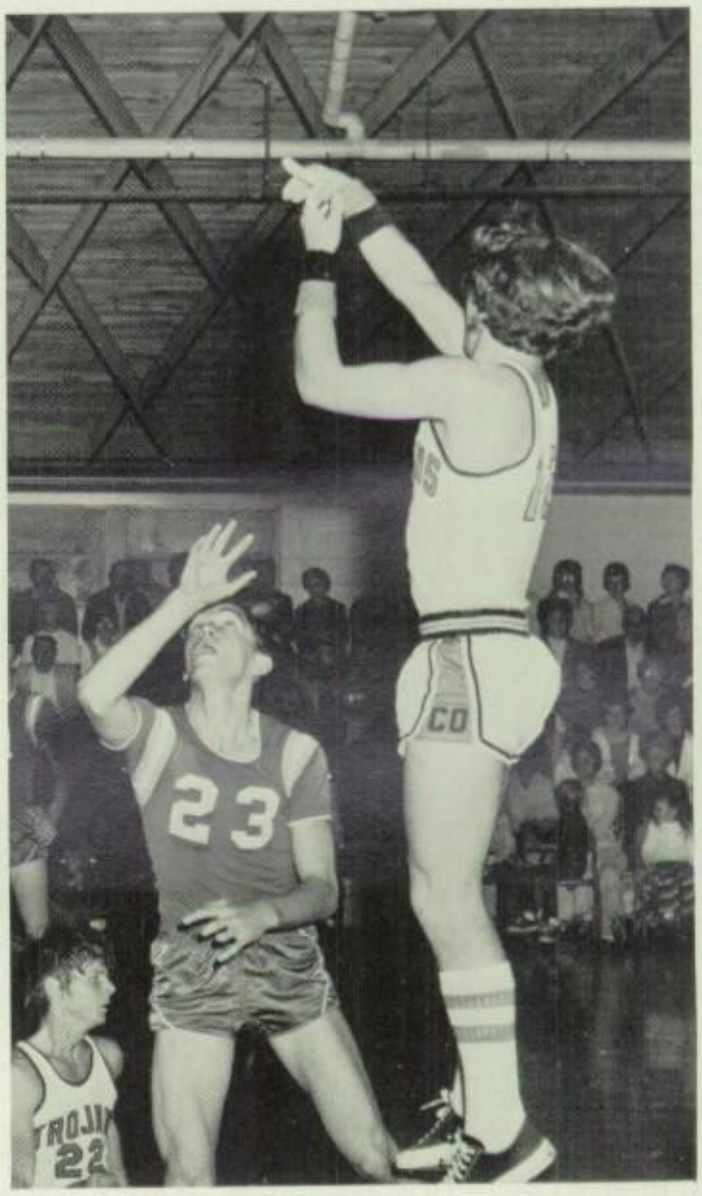
COACH

Richard Powers

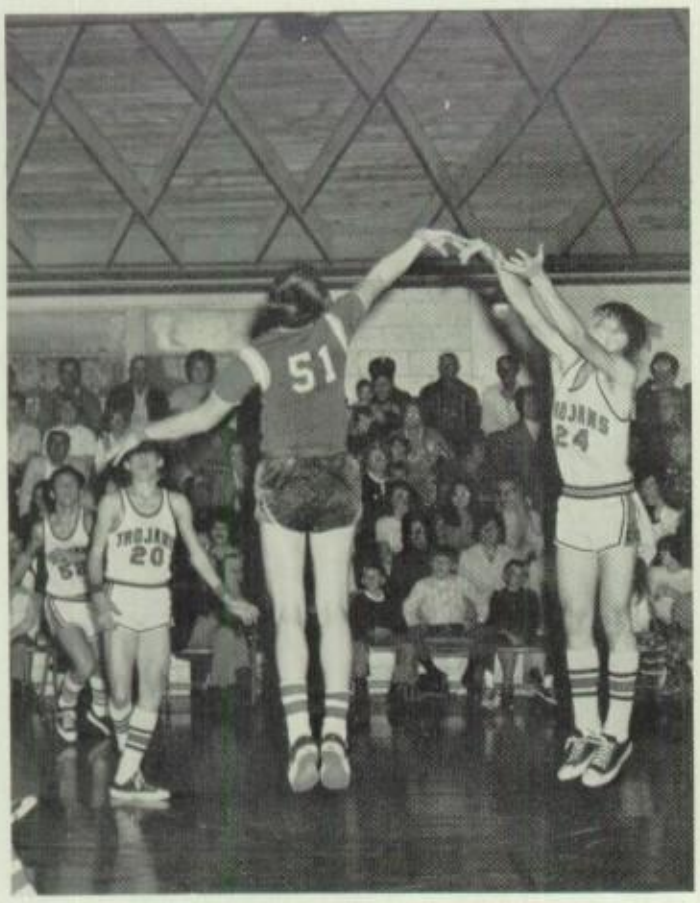
The team wanted to be a winning club. With skill and determination they so became. Baseball may be the lesser sport at Crab Orchard, but to some it is the greater. Crab Orchard appreciates having such a fine team that worked hard to become one in the 73-74 season.

"I can't miss this one."

"Got zapped again."



"Come on ref!"



"You dance divinely."

The Trojans, although small, held their own against bigger teams. From fall to spring the team has worked hard. Finishing with perhaps not the most impressive record, their opponents knew they were there.

School Spirit Soars As Homecoming Draws Near

Laughter, talk, excitemen
. . . All together they add u
to Homecoming; an event
looked forward to by partici-
pants and spectators alike.

Students come together in
an effort to make Homecom-
ing a success. Pep rallies,
stage decorations, and prac-
tice for the coronation really
proved to build school spirit
and bring it to its peak during
Homecoming.

Outstanding Seniors

Each year the faculty of C.O.H.S. chooses the outstanding senior boy and girl. The decision is based on the students' academic achievements, their participation in school activities, and their ability to get along with both students and teachers. Chosen this year, were KEITH TANNER and GAYLA TURNER.

Both KEITH and GAYLA have met the requirements easily. KEITH has been playing basketball and baseball all of his high school years, has joined numerous clubs, and was elected Most Popular Athlete. GAYLA has been elected by her fellow classmates and students to positions such as cheerleading, Homecoming Queen, and Miss Pep. Both students have maintained good grade averages.

Trojan Staff Works To Capture Student Highlights

Keith - D'Ellen - Judy - Dennis

For countless hours, the Senior Trojan Staff worked to present the '74 TROJAN. It is the Staff's wish that this be the best yearbook ever. All work has been worthwhile if the '74 TROJAN has captured all of the moments of a student's day at C.O.H.S.

Crab Orchard High School as it looked before the construction work began.

Construction Changes School Appearance

The construction of a new elementary school, including a multi-purpose room with kitchen facilities and an instructional materials center, began in July of 1973 on the front lawn of the high school campus. Thus, the outside appearance of the high school building has changed.

The new elementary school building should be ready for occupancy either by September, 1974, or January, 1975. The cafeteria and instructional materials center will be available for high school students' use.
